

### 25.6KWH Stackable Lithium Battery

Professional China quality 25.6kwh Stackable Lithium Battery Manufacturers and Suppliers. Olaite is 25.6kwh Stackable Lithium Battery manufacturer and supplier in China.

### 25.6kwh Stackable Lithium Battery

The following is an introduction to 25.6kwh Stackable Lithium Battery, I hope to help you better understand Stackable Lithium Battery. Welcome new and old customers to continue to cooperate with us to create a better future together!

The stacked lithium energy storage battery use long working life LiFePO4 cell, high performance BMS to protect and manage the battery system. The max parallel is 15pcs, free combination for the capacity and meet all kinds of demand for home/industry.

### 25.6kwh Stackable Lithium Battery Introduction

Model Number:	OBM-25.6kwh	Place of Origin:	Zhejiang, China
Brand Name:	Olaite Battery	Type:	LiFePO4
Capacity:	25.6kwh	Installation:	Stacked installation, free combination
Application:	Solar Energy Storage Systems	Certification:	CE/FC//RoHS/ISO/UN38.3
Battery type:	Lithium Iron Phosphate Battery		
communication:	CAN/RS485/RS232/WIFI/4G/Blue tooth		

### 25.6kwh Stackable Lithium Battery Parameter (Specification)

Model	OBM-5.12kwh	OBM-10.24kwh	OBM-15.36kwh	OBM-20.48kwh	OBM-25.6kwh
Single moduel capacity	25.6kwh				
Moduel number	1pcs	2pcs	3pcs	4pcs	5pcs
Total capacity	5.12kwh	10.24kwh	15.36kwh	20.48kwh	25.6kwh

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Standard voltage	51.2V				
Standard charging current	50a	100a	150a	200a	250a
Standard discharging current	50a	100a	150a	200a	250a
Humidity	20-60%				
Cooling way	natural cooling				
IP rating	IP21				
Warranty	5 years				

### 25.6kwh Stackable Lithium Battery Feature

- ※ Free combination, Stacked design, More beautiful/convenient
- ※ Max parallel is 15pcs with large capacity
- ※ Move freely with pulley

### 25.6kwh Stackable Lithium Battery Applications

- ※ Energy storage system, control system, alarm system, power system, database
- ※ Emergency lighting system, standby power supply, UPS
- ※ Telecommunication equipment, communication equipment, fire protection system, security system, power station

### 25.6kwh Stackable Lithium Battery Details

You can rest assured to buy 25.6kwh Stackable Lithium Battery from our factory and we will offer you the best after-sale service and timely delivery.

Olaite New Energy Co., Ltd is Stackable Lithium Battery manufacturers and suppliers in China who can wholesale Stackable Lithium Battery. We can provide professional service and better price for you. If you interested in Stackable Lithium Battery products, please contact with us. We follow the quality of rest assured that the price of conscience, dedicated service.

Stacked energy storage batteries use long-life and environment-friendly lithium iron phosphate batteries, and are equipped with high-performance BMS to effectively manage the cells. Compared with traditional batteries, they have more extensive performance and application advantages. Use A+ grade core, precision assembly, support customized BMS protection plate, use precision iron shell, and ensure the core capacity.

## OEM/ODM TO MEET ALL KINDS OF DEMAND

### Honest marketing

1. we are manufacturer with production experience for more than 10 years
2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
3. We accept OEM and ODM
4. Our salesman is with rich experience in foreign trade and efficient work efficiency
5. High-quality after-sales service to solve all your doubts

### FAQ

**Q: Are you a directly factory or trading company?**

**Wenzhou Olaite New Energy Co., Ltd.**

**Address:** Yueqing Economic Development Zone, Zhejiang Province

**Tel:** +86-15167879755

**E-mail:** olaite@cnolaite.com

A:We are inverter manufacturer.

**Q: How does your factory do regarding quality control?**

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

**Q:What can you do?**

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.

2. OEM/ODM orders are warmly welcomed!

**Q:Warranty and return:**

A:1. Products have been tested by 48hours continuous load aging before ship out.warranty is 2 years

2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

**Q:Is sample available and free?**

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

**Q:Do you accept customized order?**

A:Yes, we do.

**Q:What's the delivery time?**

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
